PROFILE

Executive Producer specialising in photo and video production for luxury and lifestyle brands across the US, UK, and GCC. Delivered campaigns for **MR PORTER** (2.65M views on 'In America'), **Aman**, **Nike** and **Condé Nast**, with a \$500k+ brand partnership framework built inside the **Richemont Group**. Run an 11-agent AI production system that handles estimating, SOWs, and crew logistics end-to-end, built to eliminate operational bottlenecks and increase output velocity. Production fluency across in-house brand, agency, and editorial.

EXPERIENCE

Executive Producer | *Freelance / Self-Employed*

November 2024 – Present

Production consultancy for global clients across photography and film, end-to-end from concept through delivery.

- **Aman & Janu Portfolio:** Ongoing production partner across four projects, including a flagship pre-completion campaign for an Aman property in Saudi Arabia and Dubai. Strategic partner to Aman's VP of Brand & Marketing, driving cross-functional alignment across external creative agencies, residential developers, and internal stakeholders.
- **Nike Vomero 18:** Production lead for a global-level activation at Kite Beach and the Burj Khalifa. Managed crew, technical setup, and art buying; delivered 10 additional buyout images for global distribution.
- **Vogue Arabia (Condé Nast):** Visuals Editor on the brand's return to internal Condé Nast management; relationship evolved into ongoing production partner for advertorial collaborations with **Bulgari**, **Tiffany & Co.**, and **New Balance**. Led the production and visual direction for 3 issues scoping tier-1 editorials and covers in Paris, New York, and Dubai with Imaan Hammam, Achraf Hakimi, Halima Aden, and Balqees Fathi.
- **One&Only Moonlight Basin:** Executive Producer on the brand's first North American mountain resort campaign in Big Sky, Montana. Owned direct client relationship from ideation through to post-production, partnering with a US local production house to deliver flagship assets across an international workflow, serving as proof of cross-border production capability across a GCC-to-US engagement.
- Full annual P&L management and reconciliation, negotiating SOWs, building talent contracts, vendor agreements, global insurance policies and ensuring accurate usage rights, working with finance and legal counterparts across multi-currency, multi-jurisdiction projects.
- Designed an 11-agent AI workflow system that operationalises end-to-end production: call sheet building, vendor and retainer management, budgeting and scoping, casting, location scouting, and schedule building. Built to remove bottlenecks and free strategic time for higher-impact work.
- Additional Clients: **Jumeirah**, **Cipriani**, **JA Resort**, **Anantara**, **The Cliffs**, **Mastercard**, **Columbia Sportswear**.

Senior Editorial Producer | *Al Tayer Insignia (Harvey Nichols)*

June – November 2024

In-house content lead for Harvey Nichols' regional production engine.

- Owned the seasonal asset engine across photography, film, and digital, delivering 40+ assets per shoot day to luxury retail standards. To accompany high volume output and maintain budget efficiency, designed a retainer partnership model that cut variable costs 20% while maintaining brand standards.
- Led cross-functional budget allocation across 360° advertising, marketing activations, and digital, partnering with Procurement, Marketing, and Creative leadership on annual content strategy.

Producer | *Freelance / Self-Employed*

June 2020 – November 2024

Selected brand and editorial production for global clients alongside the MR PORTER & Harvey Nichols role.

- **Emirates Aviation University Campaign:** Senior Production Lead on an institutional campaign for Emirates Aviation University, managing a cast of 15 across multiple locations on the university's Dubai campus.
- **GUESS Global Ramadan campaign:** Senior Production lead in Abu Dhabi with A-list models for the GUESS global Ramadan OOH campaign.
- **Charlotte Tilbury x Disney 100:** Production Coordinator on \$1M+ global activation: on-set logistics, vendor management, tier-1 creator coordination (Monet McMichael, Victor Kunda, Danielle Marcan), and alignment with the Charlotte Tilbury pro artist team and stylist Nathan Klein.
- Additional Clients: **Louis Vuitton x The Glass Magazine, J.Crew, Maison Kitsuné, Siro Hotels, Puma, Hamilton.**

Producer | MR PORTER (Net-a-Porter Group / Richemont)

July 2019 – May 2024

Advanced three levels in five years: Picture Assistant → Social Media Production Coordinator → Producer.

- **MR PORTER In America:** Led the 360-degree, multi-brand US campaign across LA, New York, and Miami: 2.65M views and a 75% engagement uplift. Production lead on partnerships with **Hennessy, The Elder Statesman, Polite Worldwide & Greg Lauren.**
- **Brand Partnership Framework:** Designed and operationalised a white-label production framework generating \$500k+ in incremental annual revenue across **Loro Piana, Brunello Cucinelli, Stone Island, and Hennessy.**
- **Championing subcultures:** Led three campaigns rooted in cultural depth: Black British literary culture, London's queer community for Pride, and the roller skating scene. Street cast and hired crew from within each community to ensure the work was authored from inside the culture.
- **Gen Z Social Strategy:** Developed the social media production strategy that grew MR PORTER's TikTok channel to 50K followers in its inaugural year. Built the "Mr Porter's Helping Hands" franchise series and A/B tested it into the community-led "Ask Mr Porter" format.
- Interviewed, onboarded and mentored a Production Assistant across multiple projects, including on-set training, production growth & development.
